DETACH THE FIRST TWO PAGES AND RETAIN FOR FUTURE REFERENCE

1. This process pertains to an Application for Consent Process.
2. There are different fees for each type of application.
3. Other related applications may be processed concurrently during this process.
4. Applicants may submit a separate justification report to address any of the questions within. In doing so, please ensure that the report identifies all of the questions herein, or use a combination of application form and justification report to ensure all required information is provided.

STEPS IN THE PROCESS

- Step 1** **Consult with the Planning Department:** In West Nipissing, consents are dealt with by the Committee of Adjustment, which consists of the members of Municipal Council and members at large. Before you fill out an application, it is helpful to discuss your plans with the Planning Department to determine:
- the need for a consent and the type of consent involved;
 - whether or not a minor variance application or a rezoning application is required to amend the Zoning By-law;
 - whether or not there might be servicing requirements/limitations, or land dedications involved with a consent proposal; or
 - whether or not the proposal is beyond the scope of the consent process and is, for example, a subdivision situation
- Step 2** **Complete the application form:** To avoid delays, please ensure that your application is complete, that all drawings are neat and legible and that all dimensions are accurate.
- Step 3** **Circulation of application:** After your application has been received, and at least 14 days prior to the meeting, the Secretary -Treasurer of the Committee of Adjustment will send notice of the application to every person assessed within 60 metres of the subject property, and to every person and public body that has provided a written request for such notice. Anyone wanting to be notified of the decision must make a written request. Your application will also be circulated to prescribed agencies and to Town Departments for the purpose of obtaining written comments and/or advice for consideration when making the decision on the application.
- Step 4** **Decision Making Process:** The Committee of Adjustment will carefully consider all aspects of your application against matters such as:
- what the effect will be on the health, safety, convenience and welfare of the present and future inhabitants;
 - the impact on Provincial interests;
 - whether the application is in the public interest or is premature;
 - are the lands suited to the proposal;
 - if the size and shape of the lots and the overall plan are suitable;
 - whether the lot layout addresses conservation of natural resources and flood control;
 - whether utilities, road systems, municipal services and schools are adequate;
 - if the area of land being dedicated for public purposes is suitable;
 - Whether the application conforms to the applicable planning documents and if it is compatible with adjacent land uses.
 - if your application is approved, the Committee of Adjustment may impose conditions as part of the decision. Conditions could include things such as a requirement for Site Plan Approval, the entering into of an agreement with the Town, or approval of a lot grading plan.

Step 5 **Notice of Decision:** Within 15 days of the date on which the Committee of Adjustment makes a decision, one copy will be mailed to you, to anyone who filed a written request for notice of the decision, to everyone who provided written comments or written submissions, and to anyone else prescribed by regulation.

Step 6 **A Final Binding Decision:** If no appeal is made by the end of the 20 day appeal period, the decision is final and binding. You may then proceed to fulfill the conditions of consent and to prepare and submit to the Secretary - Treasurer of the Committee of Adjustment the appropriate documents such as a deed or a mortgage for certification.

IMPORTANT NOTE: Section 53 of the Planning Act provides that:

- where a consent is granted with conditions, the conditions must be fulfilled within one year of the "giving of notice of a decision" or the consent is deemed to be "refused", and, where a conditional consent has been certified as to the fulfillment of the conditions, the consent itself "lapses" after two years from the date of the certificate.

How Long Does The Process Take?

- On average, approximately 6 to 8 weeks elapse from the time an application is filed with the Committee of Adjustment to the point where a decision of the Committee of Adjustment is final and binding.

Can Anyone Appeal The Decision?

- Anyone may appeal a decision of the Committee of Adjustment to the Ontario Municipal Board (OMB) within 20 days of the date of the Notice of the Decision of the Committee of Adjustment by personally delivering or sending a Notice of Appeal to the Clerk of the Municipality of West Nipissing. The appeal must set out the reasons for objecting to the decision and must include the OMB's prescribed appeal fee of \$125.00. The Clerk will then prepare an appeal package and forward it to the OMB. The OMB will schedule a hearing and give written notice of the time and date in advance of the hearing.

Consent Application Forms are available in either printed or electronic form
